Anne & Harrison's RESTAURANT RECOMMENDATIONS

Note:

- Almost every restaurant in NYC will offer vegetarian cuisine.
- Many restaurants only accept cash, are NOT open for lunch, and may or MAYNOT accept reservations, so call ahead.
- Gratuity for servers and bartenders is customarily 20%. (General rule: \$1 per drink, double the tax for food)
- Menus can be found on www.menupages.com or through their website.

WINE STORES

A note about alcohol in NYC:

Legally, supermarkets and corner delis cannot sell wine or liquor, only beer. They sell something that looks like wine but you will be greatly disappointed – think wine cooler. Also, alcohol cannot be sold anywhere in NYC between the hours of 4 am to 12 noon on Sundays.
